Vedic Lovers & Devotees

In this techno Modern days, Life has become mechanical and people are engrossed in earning activities to meet the basic needs and demands of livelihood and are unable to perform Vedic Rituals like Homa's, Pujas, Havan's, Yajna's, Yagam's etc., on various occasions. It is necessary to perform Homas's to lead harmonious life which is scientifically proven. According to the present day circumstances it is unable to trace out perfect and genuine Pandit's who can perform vedic rituals adhering to the strict rules as defined by our ancient Sastra's without selfish motives as a selfless effort. Good news to those who are searching for Vedic Pandit's and who desire to perform Homa's/Havan's/ Yagm's/ for well-being of self, kin and kith.

➤ AT SRI DANVANTRI AROGYA PEEDAM WE PERFORM ON DAILY BASIS CHANDI YAGAM TO SRI YAGNA SWAROOBINI ISWARYA PRATHIYANKIRA DEVI.

➤ CHANDI HOMAM : Its performed to relieve oneself from various kinds of problems and to get good health, wealth, growth in ones career of studies, job or business, high yield of agriculture production for farmers, to flourish & develop vamsa vrudhi (Family Tree). One should perform Chandi Parayana, Homa to experience the effective results and to live harmonious life. According to Vedic Rituals one should begin with Chandi Saptasati parayana and finally end with Chandi Homa. These golden words were spoken by Devi Chandika in the history of Veda Puranas.
