Siva Senai, Maravanpulavu K. Sachithanathan

Violent attacks in Colombo, Negombo and Batticaloa are not acceptable to the Saivaites of Sri Lanka. We condemn these attacks outright.

We Saiva Tamils denounce any attack in any form in places of worship. Our Christian brothers to whom we have high respect, regard and unbounded love as fellow citizens of this land. The Easter Friday followed by resurrection Sunday 21.04.2019 are days for prayer worship and meditation. To attack on such pious and holy days to harm hundreds of innocent worshippers and to take the lives of many is condemnable. Saiva Tamil world does not accept such disastrous barbarous acts.

We Saivites express out heart felt condolences to the bereaved families. We pray for the early recovery of those injured. We pray Lord Shiva to shower his holiest blessings towards relief at a time of your hour of deep grief.
